

## Musicademy Song Learner Series - Here I Am to Worship

Tim Hughes, Thankyou Music

This handout is designed to support the downloadable DVD song learner lesson available at [www.musicademy.com/store](http://www.musicademy.com/store)

### This lesson will teach you:

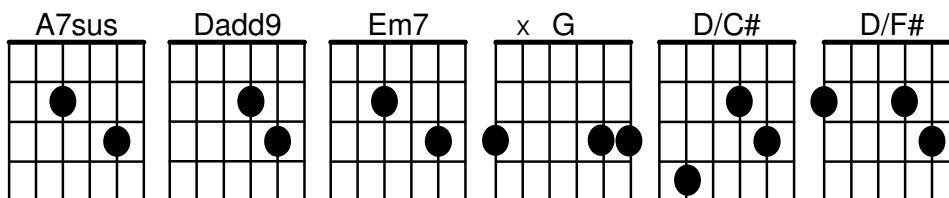

How to master each section of this song easily with a range of substitute one finger chord changes

Two interchangeable strumming patterns that will work over verse and chorus sections

The teaching features plenty of “play along” sections to give you the chance to really learn the song

This song uses the basic chords taught on The Musicademy Worship Guitar DVD Beginners Volume 1. On the DVD the song is taught using basic open chords and a single strumming pattern suitable for beginner guitarists. The Song Learner version here features the correct, more complicated slash chord voicings and strumming patterns that will allow you to integrate your playing with the proper drum groove.
