

## Musicademy Song Learner Series - I Could Sing of Your Love Forever

Martin Smith, Curious? Music UK

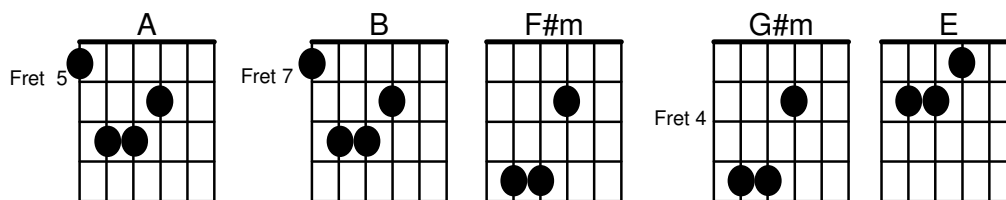

This handout is designed to support the downloadable DVD song learner lesson available at [www.musicademy.com/store](http://www.musicademy.com/store)

### This lesson will teach you:

- How to play full sounding chords further up the guitar neck
- Some great “cheat” chord shapes for F#m and G#m without having to use a bar chord
- A 16<sup>th</sup> note strumming pattern that will set the groove for the band and congregation to follow without being too fast or too slow

This lesson builds on the learning in The Musicademy Worship Guitar Course Beginners Volume 2. Used together these resources will allow you to play all the chords and therefore many songs in the key of E.
