

The following pages are a comprehensive list of all the graphics from the Musicademy Beginners and Intermediate Worship Drums Course DVDs.

If you would prefer to have them in a slightly more user friendly version (i.e. ordered within the different lessons of the DVDs) please take a look at our student workbooks (available from www.musicademy.com/store)

The workbooks also contain lots of additional exercises and help you work through the DVDs in a methodical manner incorporating all the quick tips, worship leader interviews, drum loops and play throughs as well as the drum lessons themselves. Great for students working with the DVDs at home, perfect for teachers using the DVDs to teach.
